

BRAIN TEASERS

These brain teasers are designed to challenge people's thinking. Participants must write their answers in the allocated space below and the correct answers can be found at the end of this pack.

1. People make me, save me, change me, raise me. Who am I?

2. I know a word. It has six letters, if you remove one letter, you'll be left with 12. What is it?

3. The more you take, the more you leave behind. What are they?

4. What is as light as a feather, but even the world's strongest man couldn't hold it for more than a minute?

5. Billy's mother had five children. The first was named Lala, the second was named Lele, the third was named Lili, the fourth was named Lolo. What was the fifth child named?

6. It likes food, but water kills it. What is it?

7. What's full of holes but can still hold water?

NUMBERS QUESTIONS

These questions are maths related and each answer is a number. Participants must use the space provided to write down their answers. Once everyone has completed the activity they can have a look at the answers at the end of this activity pack.
