

## MATCH THE CARD TO THE WORD

This game is designed to assist individuals who are experiencing memory loss by providing them with an opportunity to exercise their brains.

**You will need:**

- A pair of scissors
- A table/flat surface

Firstly, you should cut out the cards and place the picture cards spread out over a table and put the word cards in a pile.

Participants should go through the word cards one by one and try to match the word to the corresponding picture.
