

BINGO

What you will need:

- Pens or bingo blotters to mark off the numbers when called out
- Scissors to cut out the sheets and the numbers into a bowl
- A Bingo wheel or you can use an online number generator (www.online-stopwatch.com/random-number-generators/online-bingo-caller/) or you can use our numbers sheet and cut out the numbers and place them in a bowl.

How To Play:

- Tell the participants that when a number is called out they need to mark it down on their sheet.
- The first player to mark off five numbers in a row (horizontally, vertically, or diagonally) will shout "bingo" and will win the first round.
- Once a player marks off all the numbers on their bingo card they will then be declared the winner.

There is the option to offer a prize to the winner and we have thought of some suggestions but this is optional.

Prize suggestions:

- Pack of biscuits
- Chocolate
- Day trip
- First pick of the TV channels
