VALENTINE'S DAY GUESS THE SONG

The aim of this game is to play each song and allow participants to try and guess the title of the song and the artist. They can collect a point for each, meaning 2 points are up for grabs for each song. Making the overall score out of 40.

Players can either call out when they know the answer or you can get them to write their answers down on a piece of paper and count up the scores at the end.

Scan the QR code to be taken straight to our Spotify playlist or head to 'Surewise' on Spotify.

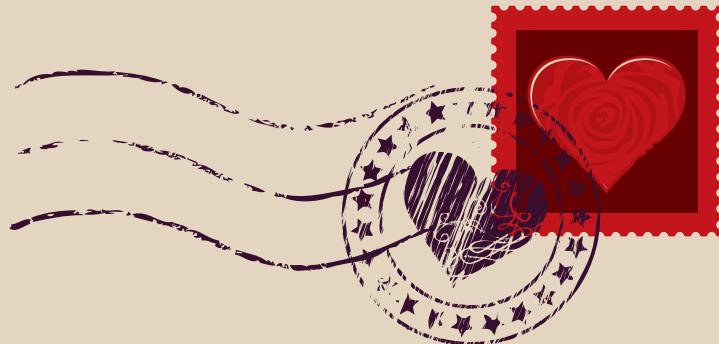

Extra Tip: If you do this activity first, you can play this playlist whilst completing the other activities.

VALENTINE'S DAY MEMORY GAME

The idea of this game is to test the participant's short term memory via a fun game of match the cards.

You will need:

- A pair of scissors
- A table/flat surface

Once you have cut out all the cards you should place them facing up on a flat surface and analyse their positions.

For each picture, there are two of the same card. After 2 minutes they should turn all the cards over and try to match them up based on their memory.
